Suggested Clarification to Student Verification Policy

1. **REMOVE** the phrase “regardless of the program” in first statement.
   Students graduating with an AA or AS from a participating institution, regardless of the program, are eligible to transfer under statewide program-to-program articulation starting with the effective graduation date.

2. **REWORD** the second statement as follows:
   Two-year institutions with articulated associate degrees will indicate the “effective graduation date” and four-year institutions offering parallel bachelor degrees will indicate the “effective matriculation date” in the Statewide Program Articulation Database.

Tips for Reviewing Agreements

Ask yourself does the agreement...

- Align with the policies set forth in TAOC’s General Statewide Program Articulation Agreement?
- Include requirements consistent with those of native students in the parallel bachelor degree program?
