TAOC/ PA TRAC Maintenance Activities

- Notify PDE of any changes to task contacts
- Institutional PA TRAC Status Report as of 10/23/12
- Catalog Extracts Still Needed from Butler CCC, ESU and Northampton CC
- Keywords and the Degree Program Search
- May 15, 2013 – Deadline to identify articulated associate degrees and parallel bachelor degrees effective Fall 2013
10 Minute Break
Statewide P2P Articulation

- Status of Statewide P2P Database as of 10/24/12

- Volunteers needed to assist PDE and AcademyOne with developing the P2P webpages and testing the searchable database
Fall 2012 Compliance to Statewide P2P

- According to the Accuracy Certification Statements submitted by institutions to PDE, 25 institutions are compliant for Fall 2012:
  - 7 of 14 Community Colleges
  - 13 of 14 PASSHE Universities
  - All 5 Opt-Ins

- Majority of non-compliant colleges expect to be in compliance by Spring 2013
Reasons for Non-Compliance

- Developing new courses to meet agreement requirements
- Program and/or course modifications need to be approved through college governance system
- Program does not meet the Framework requirements included in agreements such as Biology, Computer Science and Mathematics
- College’s general education curriculum is not limited to Framework courses
- Current associate degree programs do not meet the approved P2P requirements and have not been modified to meet them.
Pending P2P Agreements

- Political Science – TAOC will review and vote on this agreement Oct. 29-Nov. 2
- Music
- 4-8 Education
- Secondary Education
Transfer Credit Framework

• Review Framework Standards Subcommittee Member Rosters – notify PDE by Oct. 31 of any changes

• Process for Expanding the Framework and Proposing Courses to Subcommittees
Proposed Process for Expanding the Transfer Framework

1. Course is recommended to appropriate Subcommittee
2. Framework Subcommittee reviews proposed course against standards
   - If course meets standards and Framework requirements, subcommittee recommends course title to TAOC
3. Participating institutions propose equivalent courses in CEMC
4. If TAOC approves, course title is added to the Framework
5. Subcommittee reviews institution course and either approves or rejects as a Framework equivalent
6. Approved courses are forwarded to institutions for establishing equivalencies in CEMC
7. TAOC votes to approve or reject subcommittee recommendation
8. Course equivalencies are accessible on PA TRAC
Dispute Resolution Committee

- **7 Institutional Members**
  - Northampton & California (term ends 6/30/13)
  - HACC, Cheyney & Saint Francis (term ends 6/30/2014)
  - Bucks & Clarion (term ends 6/30/2015)

- Does TAOC’s policy for this committee and process fit the current transfer system, which now includes statewide program articulation?
